

## AMENDMENTS TO THE SPECIFICATION

*Please amend the paragraph starting on page 1, line 6 and ending on page 1, line 7 as follows:*

This application is a Continuation-in-Part of Serial Number 09/921,091, entitled “Cartridge Insert Which Fits Into A Box” and filed on August 2, 2001, which issued as United States Patent No. 6,685,025 on February 3, 2004.

*Please amend the paragraph starting on page 24, line 2 and ending on page 24, line 8 as follows:*

An integral, generally rectangular corrugated fibreboard blank folds to form an insert having three air cells for cradling and protecting a product. Two of the air cells stand vertically with the third air cell suspended between them. A product rests on the third air cell and is received and captured between the vertical air cells. The insert, with the product in place, fits into a box where tabs projecting from the insert ~~cooperates~~ cooperate with the box to form two more air cells at the opposite ends of the insert. ~~The specific product which prompted the invention is a toner cartridge for a printer.~~
